

KIRSTEN E. GILLIBRAND
NEW YORK

UNITED STATES SENATOR

March 11, 2017

Dear Friends,

It is a privilege to send greetings to everyone attending this year's Congressional Award Ceremony for New York State.

I am extremely grateful for programs like The Congressional Award. Since 1979, The Congressional Award has promoted initiative, service, and achievement in young people. Over the decades, thousands of youths across the country including over 700 New Yorkers have been recognized. I am proud to support this program which allows our children and young adults to dream big, set goals and partner with members of their communities to achieve their goals. I honored to commend all the medalists being recognized this year. Your civic engagement and determination to achieving your goals insures a bright future for our country. Congratulations on all of your accomplishments.

Please accept my best wishes for a joyous event and many more years of continued success.

Sincerely,

A handwritten signature in blue ink that reads "Kirsten Gillibrand". The signature is fluid and cursive.
